

### THOMASVILLE HIGH WON THANKSGIVING GAME FROM BLAKELY

Thomasville High ended the regular season yesterday afternoon with a victory over Blakely on the West Side baseball gridiron. The score was 45 to 3, Blakely's lone tally coming in the latter part of the game when King kicked a perfect goal from the thirty-yard line, the ball falling straight between the posts, five feet above the cross-bar.

The first part of the game was played with a number of subs in the line up and was hotly contested, the locals showing themselves superior at all kinds of tactics but the visitors put up a game fight despite the odds against them. The starch was taken out of the visitors in the second play from scrimmage, when Gardner Lambert recovered a fumble and raced forty yards for a touchdown. This was thirty seconds after the ball was put into play.

On the kick-off, Blakely made first down, but failed on four line attempts to annex the necessary ten yards and the ball went over. Lindsey ran thirty yards through a broken field. Bliz

etetary hit the line for nine yards and Stacey added eight more. Stacey got five, Lindsey two more and Lambert three for first down. Bolret, for the visitors recovered a forward pass on the ten-yard line when Lindsey juggled the ball, but the ball went over to Thomasville again on the thirteen yard line. Lindsey promptly got eight around end and Lambert bucked the ball over.

Blakely made two first downs on the next kick-off and Singletary intercepted a forward pass, making ten yards on the play before he was downed. The ball was on the thirty-yard line when the second quarter opened in Thomasville's possession. After failing to gain, Thomasville punted over the goal line. Blakely brought the ball out to the twenty-yard line and failing to make ten yards in three downs, punted. Thomasville returned ten yards while Stacey, Raeford Singletary and Lambert shoved it across after a series of line plays and end runs. Stacey got credit for the touchdown. Singletary kicked a goal.

**Blakely Bucks Up.**  
Here Blakely bucked up wonderfully and took the ball down the field after a kick-off to the ten-yard line where the ball went over on an incomplete forward pass after four tries for a touchdown, ending the half. It took Lindsey ten seconds to race sixty-five yards for a touchdown in the second half on the first play after the kickoff. Nobody was anywhere near him when he crossed the line. This was one of the longest scrimmage plays of the entire season.

Blakely ran the ball, after kick-off, down the field to the four yard line and there tried to buck it over. Four attempts on the line failed miserably, the players being piled up regularly every time they started with the ball. Thomasville then ran from behind the goal line. Mays who had come into the game at fullback, hit the line on a fake punt, like a steam engine for eleven, twelve and nine yards. Lindsey got eight around end and then carried the ball thirty-five yards to the eighteen yard line on a clever end run. In the fourth quarter the locals threw a forward pass to the three-yard line and Mays bucked it over.

In this quarter King kicked a perfect field goal for the visitors for their lone tally. This attempt came on fourth down after they had failed to gain an inch on three plays through the line. Lindsey and Singletary added long runs in this period and Lindsey carried the ball over from the three-yard line on a triple pass, being entirely away from any of the visiting players, who failed to diagnose the play, presumably looking for a line attack. Blakely fumbled near mid-field after the kick off and Washington grabbed the ball and made the final touchdown for the local team, running forty yards. The visitors tried four forward passes after the kick off, in an effort to score, but failed, Thomasville intercepting the last one. Lindsey intercepting the. The game ended with the ball in Thomasville's possession.

Thomasville played an erratic game, but at crucial moments showed their old-time form. The tackling was hard and fierce and the visitors were forced to take out time repeatedly, especially during the last of the game. Washington was the defensive star of the game, showing up brilliantly and making certain a berth on the All Star Association team, at end. He is one of the safest and most dependable ends in the entire South Georgia League. Lindsey's brilliant work entitled him to unquestioned ranking as a half back, and Mays at full back, has both the power to hit the line for gains at will and is one of the most desirable defensive full backs ever developed in this section of the state. Elrod and Stacey played great games and both are hard boys to handle at any time. The work of Lambert is especially noteworthy, as he is a very efficient player of defensive work and runs interference with uncanny accuracy and success. He hits like a flend and rarely ever misses a tackle.

Simpson of Cynthlanns, Ky., has been called to the pastorate of the Presbyterian church of Cordele. He has accepted and will be here the first week in January. He has already planned a ten days meeting to begin the first Sunday.

**Discovers Cholera Germs!**  
Glenn Herrick states, "Cholera germs have been discovered in rats. They are a deadly menace to your health! These disease breeding pests must be destroyed everywhere." For health's sake get 25c or 50c tube
