

### THOMASVILLE WON FROM FAST BAINBRIDGE TEAM FRIDAY AFTERNOON

The Bulldogs of Thomasville high school defeated Bainbridge high school yesterday in Bainbridge by the score of 21 to 0. The Bulldogs outplayed the Bainbridge team all the way through and deserved all that they made.

The Bulldogs established two records yesterday when they defeated Bainbridge in Bainbridge. One was that it was the first time in several years that the locals have won a game on a foreign field. Then it was perhaps the first time that the local team has ever defeated Bainbridge in Bainbridge.

Bainbridge kicked to Dunn and the game was on. On the first play Zalumas circled end for forty yards. From this time until the middle of the third quarter Bainbridge failed to get the ball in Thomasville's territory. Bainbridge was unable to stop Dunn, Neel, Pfister, Zalumas and company. Dollar, Bainbridge's star fullback, was moved back with ease and the Bulldogs rushed the ball over for the first touchdown in just a few minutes. Zalumas carried the first touchdown over. The try for point was blocked.

The second touchdown was made in the middle of the second quarter, as a result of several forward passes mixed in with some terrific line plunging by Dunn. Dunn was playing his greatest game. Pfister circled end for fifteen yards and the score was 12 to 0. Dunn kicked goal but Thomasville was off-side and lost the point. Bainbridge received the ball on their own one-yard line after Thomasville had carried it down the field for the third time. Bainbridge attempted a punt but Lambert, Willis and the other linemen, rushed him and the punt was blocked. Bainbridge fell on the ball behind their goal line and Thomasville was given a safety. The first half ended Thomasville, 14; Bainbridge, 0.

In the second half came the greatest play of the game from a Thomasville viewpoint. Bainbridge realizing that they could not do anything with the Thomasville rush line resorted to passes. Dollar was hurling them to one place and to another. Alas, one slipped and went into the arms of Dunn and Dunn raced fifty yards for a touchdown. The pretty part of this play was that practically every man on the Bainbridge club had a chance to tackle Dunn but was prevented

### YOUNG STRIBLING TO MEET MCKIERNAN SOON AT FAIR IN COLUMBIA

Columbia, S. C., Oct. 17.—With the Stribling-McKiernan fight just only a short time off, State Fair officials here are taking precautions to handle the enormous crowd that is expected to witness the ring classic. Members of the American Legion, under whose auspices the bout is being staged, will act as special policemen for the evening. These men will be deputized as officers and besides keeping order at the grounds, will add dignity to one of the greatest sporting events ever held in South Carolina.

Word has been received here that the Georgia boy and his party are on their way here. They are expected to stop by Atlanta en route, but are looked for several days before the bout.

Young Stribling, one of the most popular boxers in the country, and a native of Georgia, has smashed his way all over the continent with a pair of fists that he handles too well for the comfort of the majority of those pugs who have faced him in the ring. His clean sportsmanship, his modesty and his excellent fighting have won for him a host of friends and admirers in South Carolina who wish the best of luck to him and his managers, "Ma" and "Pa" Stribling.

Tom McKiernan is a husky Irishman who comes to Columbia highly recommended by Tex Rickard and carries on his belt several notable scalps. This is his second appearance in the South, he having defeated Chief Mayle, the United States army champ, in a ten round battle at Fort Bragg some time ago.

McKiernan is also said to have defeated Seaman Johnson, heavyweight champion of the British navy in London. Other fighters who have helped to write his ring history are Jack Redling, Mike Nestor, Jimmie Miller, Alex Sinclair, Frank Kobler, Jack Sobo, George Ernfinch, Yale Akum, George Ash, Jack Haskersen, Archie Skinner, Phil McGuire and Jack Walnan.

the brains of the team, well Neel proved that he had plenty of brains yesterday because he called his signals with a snap and he called the ones that resulted in good gains. He also made several nice runs and his tackling was good. Neel, perhaps,
