Bulldogs Defeat Tifton Blue Devils 14 to 6

DAILY DOPE

By BITTON MAYS

At least a thousand people out for that football game yesterday and a great majority of them went home satisfied with the performance of the Bulldogs. In the first place they won the game and in the second they outplayed Tifton throughout the game and proved that they have a real football team. It was the first real test for the Bulldogs and they came through covered with honor and glory. If the Bulldogs had not received a five yard penalty for offside when backed up against their own goal line the chances are that Tifton never would have scored. The Bulldog line was playing magnificently and the best the Tifton backs could do was a yard or two at a clip. However, it is a big thing and was one of the breaks of the game.

Wonder whats the trouble with Moultrie. The Packers dropped another surprise game yesterday, this time the underrated Bainbridge team taking them for a ride by a seven to nothing score. This put Moultrie completely out of the running for the championship and leaves it to be fought out between Thomasville, Valdosta, Albany and Bainbridge. It is hardly likely that Bainbridge will survive the Albany and Valdosta games unbeaten. The Bulldogs haven't scheduled Bainbridge this year.

From scores, it looks as if Valdosta has the strongest team in the conference. The Cats piled up a 20 to 0 score over the Ocilla Orphans yesterday. Albany didn't run up anything like that large a score and from the accounts of the game, Valdosta used substitutes for a greater part of the game. The Cats suffered severe blows in the loss of Brown, star quarterback. He was declared ineligible, having played four years. He got in one game which a freshman but that one game was enough to ruin his chances this season.

The Bulldogs may not get through the season undefeated but they will certainly give any other team in the conference plenty of trouble before they are defeated. A strong line coupled with the ball carrying ability of Hendricks and Chastain and the backward pass combinations should do plenty of scoring on any team in the conference this season. The Bulldogs have a hard six weeks ahead of them, facing Quitman, Cairo, Fitzgerald, Valdosta, Albany and Moultrie.

Oscar Chastain has great ball carrying possibility. He possesses a blinding speed, a speed that is just as fast from his second stride to the last, his driving power is amazing. There are just two or three little defects in his offensive work. First he doesn't pick his hole through opposing players as he should. He is inclined to try to run over them and that does not get one very far. He runs too straight up and doesn't carry the ball correctly. All three of these little faults can be corrected with practice and the chances are that he will get plenty of practice in the next few days.

WESTERN CONFERENCE TEAMS HAVE TERRIFIC STRUGGLES TO FACE

Chicago Oct 26 (AP) Headlined by Michigan and Illinois at Champaign, Ill., eight Western Conference football teams today had championship hopes to look after.

Ohio State had the defense of its undefeated record against the attack of Indiana as part of the program. The Buckeyes faced the contest with two victories behind them, while the Hoosiers, along with Illinois, Wisconsin and Iowa, had their eyes on their first conference triumph of the season.

Iowa was annexed with Wisconsin at Madison, and Staggs Chicago Maroons and Purdue were booked to make or break contest, with defeat for either meaning its virtual elimination from the championship race.

BULLDOGS FAVORITES TO WIN FROM GATORS

Jacksonville, Fla., Oct. 27 (AP) The Georgia Bulldogs, the surprise team of the southern conference came to town today with victories over both Yale and North Carolina under their belts, to tackle the Florida Alligators.

Georgia was a favorite, despite the absence of Armin Waugh, first halfback from the lineup. The Florida cause was weakened by the unexpected assignment by Coach Richman that neither Dale Van Sickel, star end, nor Clyde Crabtree, brilliant and versatile backfield ace, would be in the starting lineup. Both men are on the injured list, but will be used in case of emergency.

The game was a sellout with a crowd of 20,000 seemingly assured.

THRILLING GAME AT THE STADIUM SEEN BY CROWD OF THOUSAND

Hendricks, Star Ball Carrier For Bulldogs.—Tifton Out played by the Bulldogs.

The Bulldogs won one of the hardest fought battles in years from the Tifton Blue Devils yesterday, the final score being 14 to 6. A crowd of fully a thousand people were on hand for the battle.

Tifton brought a strong team here for the annual game with the Bulldogs, a team that carried a scoring threat with it at all times and a team that fought with its backed up against their own goal line on one occasion to keep from scoring. Two times the Bulldogs pushed the ball down to the Tifton ten yard line and the two yard line respectively in the third quarter, only to lose the ball to Tifton on downs both times.

Bulldogs Score Early

Tifton won the toss and elected to receive. Hendricks kicked off and Tifton returned to the twenty yard line. On the first play House of Tifton kicked out to the twenty yard line and Hudson returned it back to the twenty yard stripe. Two punches at the line by Hendricks and Chastain netted a few yards and then Hendricks heaved a neat pass to Dave Sutton caught on the five yard line and was downed by the Tifton safety man. It took four tacks to take the ball over for a touchdown, Chastain finally carrying it over on the six points. A pass from Hendricks to Davis accounted for the extra point after touchdown.

The two teams re-sawed up and down the field for the remainder of the quarter. The second quarter was marked by a 20 yard pass from Hendricks to Hyder. The ball was on Tifton's twenty yard line at the end of the quarter. The Bulldogs were unable to make first down and the ball went over to Tifton. The Blue Devils kicked out to the fifty yard line. A pass from Hendricks to Chastain carried the ball back to the thirty fourth yard line. Harris, Chastain and Hendricks hit the line and ran the ends for a first down, but here the Blue Devils stiffened and the ball went over on the 20 yard line. Tifton was unable to make first down and kicked to the fifty yard line. After three tries at the Tifton line with no gain Hyder attempted to kick and Captain Potts got Tifton blocked it. The ball rolled back to the twenty-four yard line where a Tifton player recovered it. A pass Martin to Thomas was good for eight yards. McCall went through left tackle for first down on the 13 yard line. Sutton got two at center. McCall one at right guard, a pass was incomplete. Then the Bulldogs got a five yard penalty for offsides and Sutton went through center for first down for Tifton on the Bulldog three yard line.

Richards was put out of the game at this point for Referee Riley for alleged roughing. However he observers it seemed that the referee was slow in blowing his whistle on the plays and that Richards going on was to stop Tifton back from scrawling. McCall went over left tackle for the first down a moment later. Tifton's attempt to kick goal was no good as a low wabs in motion he waved the line of scrimmage before the ball was snapped. The score was 7 to 6.

Tifton kicked off to the Bulldogs but Drake booted the ball and Tifton recovered on the Thomasville 24 yard line. Captain Harris intercepted a pass on the first play and returned to the 27 yard line. After making one first down the Bulldogs were forced to kick and Tifton held on the Tifton 3 yard line which was promptly kicked out to Harris and then repeated a thirty-seven yard run to the 20 yard line. Tifton kicked to the Bulldogs forty yard line and here the fourth started for another touchdown. Hendricks and Chastain did the greater part of the ball carrying, Hendricks making the longest gain. Time after time Hendricks pulled up from a sick heap on the line for gains averaging five yards. It took three first downs to put the ball over for the touchdown. Hendricks then kicked goal and the ball ended shortly after. The Bulldogs kicked off to the Blue Devils.

Second Half

Although there was no scoring in the second half of the game the Bulldogs were always in Tifton territory. Time after time the backs would drive deep toward the Blue Devils goal line only to be repulsed. Twice it looked like a sure touchdown for the Bulldogs, but the ball getting line from Tifton would settle down to hard fighting and hold. Hendricks and Chastain to small gains. It was a great exhibition of football on that part of both teams and the fans got plenty of thrills out of it.

Late in the game the Blue Devils commenced to pass the ball every time they could get their hands on it. The Bulldogs were playing a safe game and kicking the ball. Three passing for Tifton got off some nice gains and although the Blue Devils were never able to get in the Bulldogs goal line there was always the chance one of those passes might fall into a man's hands who had an open field in front of him.

The game ended with ball on the Thomasville 34 yard line.

Hendricks Was Star

Hendricks, a new man with the Bulldogs and who has been ill for ten days prior to, played brilliant ball in the game against Tifton. His passing was perfect, he picked his holes in the Tifton line like an old veteran and he was the man who carried the ball 6 times out of every ten for the Thomasville team. Chastain looked fine several times in the game. He grabbed one of Tifton's passes and out-
