A highly anticipated football game took place at 8:00 in the second period of the game between the Bulldogs and the Bobcats. Pearce slued one to Letchua who took through the line for a first down in the 6 yard mark, and then on a split back Letchua carried it over the goal line for the touchdown. His try for the extra point was filed and the Bulldogs were in front, 6-0. As the first quarter ended.

Blakely received the next kickoff and the Bulldogs threatened again shortly after when Jimmy Dillard broke through to Alvin's line and the game recovered in the Blakely 27 yard line. Dillard's try for the extra point was incomplete when Thomasville was forced to punt and the Bulldogs kicked out to them and regained
