

PLAY BY PLAY
DETAIL OF BULLDOGS
(Continued from page 6)

Clary got two yards and then Val Costa was penalized back to their 30 yard strike. Letcher got Clary's punt back 12 yards to the Bulldogs' 31. Nijem, the Valdosta captain, was hurt and replaced.

Peare and Pugh could get nowhere and Letcher kicked out on Valdosta's 22. The Jenkins kid stopped big Clary again so Clary kicked to Letcher who brought it back to a beautiful return of 15 yards to the Thomasville

back in Valdosta's 14. On the next play Clary went way back to pass. Max Fair showed how he missed the tackle and Clary sped back up the field to make the loss only two yards. The Cats were frantically trying to score on wind were taking to the air. But a drive was incomplete. Peare and Peare got him for a yard loss. Letcher took Clary's punt back 9 yards to Thomasville's 11. Corinto nailed Peare for a yard loss and Pains also hit him for another loss. Peare was groggy and was displaced by little Herman "Doodle" Peare. Two plays failed and Letcher kicked to Clary who was downed at Valdosta's 42 by Crawford after a nice return.

Griffin went back and passed to Clary for 35 yards and then Letcher was penalized and the play lost. Peare crashed Clary's pass out of the field. Peare's hands on the field were 22. Pugh and Peare combined 20 very fast and as Letcher pointed out on his own 45.

The Cats led in pass action but Pugh, the old mauler, took the ball out of Griffin's hands and ran it back to Valdosta's 47 where he

established "a" fell. He almost got away. Letcher and Peare got five yards together and a pass to Pugh was good for six yards and another first down. Kliffel intercepted the next pass at Valdosta's 40 but Crawford got the ball right back for 17 by the same thing at "Doodle's" 10. Letcher passed and after much scrambling under it then Tomon gathered it in at Valdosta's 10 yard line. Pains then intercepted one of Letcher's passes and this thing was getting to be a hairy business on the next play Letcher grabbed himself a Valdosta pass at the 19 and stormed back to the Cats 14 yard line. Letcher failed to gain and then a pass was "incomplete as the game ended."

PRINCETON NEWSPAPER
OPPOSES 'GAME WITH MINNESOTA OR PITT'

Princeton, N. J., Nov. 12 (AP)—A movement started by four thousand Princeton students to oppose a game with either Minnesota or Pittsburgh in a post-season charity game, was opposed today by the Daily Princetonian, the university's undergraduate newspaper.

The four sponsors circulated petitions on the campus yesterday and obtained 1,000 signatures of students who are desirous among other things to put to an end to "prophable that Princeton is afraid to play a first class team."

Such a game, for the purpose of raising a crowd for the little community with other university a shell is proposed," the Daily Princetonian declared.

PINEHURST TOURNEY
OFFERS INNOVATION FOR PRO ARMY

Pinehurst, N. C., Nov. 12 (AP)—Pinehurst's mid-winter open golf championship for fourteen years conducted as a best ball and individual competition of 72 holes, today offered a galaxy of par-chasers something relatively new on American courses.

Such four-man-a-side play, hitting alternate shots around the course, are nothing new in the Walker cup and Curtis cup international matches, but they marked the first time that professionals have engaged in a tournament devoted exclusively to this type of play on American courses.

TODAY'S FOOTBALL STORY
