Thousands of Women Benefited By Cardul

The benefits many women obtain from Cardul are their good confidence in it. "I have four children," writes Mrs. J. A. Horrod, Laguna, Cal., "before the birth of my children, I was weak, nervous and tired. I had a lot of trouble with my back. I took Cardul each time and found it so helpful. Cardul did more to help the nubes at than times than anything I have ever used. I am in good health and better than I did before Cardul helped them. If it can do so much for women, it must be a blessing."
